Director's Silver Medal for Outstanding Overall Performance in Each

Discipline (B.Tech Program)

I, Snehal Dnyaneshwar Gohad, have completed my bachelor's in Civil engineering with a minor in Management. During my four years as an undergraduate student at IIT Gandhinagar, I have developed myself in various capacities, including academics, sports, social work, cultural activities, leadership activities, and taking key initiatives. Here are some of my accomplishments: [illegible] way, and I appreciate your contribution to making this a memorable experience. I'm confident that you to seek your support in nominating me for the Director's Silver Medal for outstanding

overall performance in the discipline of Civil Engineering.

Academics:

> Graduating with a CPI of 8.22 with a dean's list in semester II, AY 2020-21.

> Worked as a Business Development Intern at Adani Group in the summer of 2022.

During my internship, I worked at CTO's office and received a Pre-Placement Offer

(PPO) considering my outstanding performance in the industry.

- > Received a placement offer as Business Consultant from Accenture Japan during campus recruitment.

- > Only student from the Civil Engineering discipline to receive an international job offer.

- > Recipient of Santosh Rani Tondon Scholarship in the AY 2022-23 considering academic performance and potential for success.

#### Social Work:

I have been an active member of Nyasa since my first year at IITGN and acted in different positions in these four years as part of Nyasa.

- > Core Member of Nyasa, AY 2021-22

- 

- 

Revamped the leadership structure of Nyasa by introducing an organising team consisting of the members assigned to the Design team., Editorial team, Outreach team, and Event Organizing team.

Coordinated and started the STP (Special Training Program) for the first time to improve the quality of education for 20 construction workers' children.

Successfully started proper schooling for 6-8 Nyasa kids by admitting them to nearby schools with the assistance of organising team members.

Organised a ten days summer camp for 90-100 children from Basan school and Nyasa kids in the summer of 2022.

Conducted clothes donation and sweets distribution drives.
